

Decatur County REMC Rate Tariff

SCHEDULE RE-IND - Optional Renewable Energy Rider for Commercial and Industrial consumers

Availability

Available to any member of DCREMC taking service concurrently under rate schedules SC, SC-F, MC, MC-F, LC, LC-F, IPS, IPS-I-2, IPS-I-3, or IPT. DCREMC reserves the right to limit the total number of participants under this Rider.

This Rider is for the purchase of energy from renewable resources with certified Renewable Energy Credits. Consumers requesting service under this optional Rider must sign an agreement to purchase Renewable Energy Credits by October 1 for a specific quantity for all twelve months of the succeeding year.

Monthly Rate

In addition to the total charges determined under rate schedules SC, SC-F, MC, MC-F, LC, LC-F, LCP, IPS, IPS-I-2, IPS-I-3, or IPT applicable to the consumer, the following charge shall apply:

Certified Renewable Energy Credits will be billed in increments of 1,000 kWh blocks per month at a rate of \$.01 per kWh.

Renewable Resources

Energy sold pursuant to this Rider is generated using renewable resources with certified Renewable Energy Credits. While DCREMC expects that power generated from renewable resources will be readily available on the wholesale market, DCREMC makes no guarantee that such resources will be available at all times. If DCREMC determines that for any reason renewable resources are unavailable or insufficient to furnish the member purchases hereunder, DCREMC may suspend application of this Rider. When the renewable resources again become available, DCREMC may resume application of this Rider.

Other Terms and Conditions

Except as stated in this Rider, all Terms and Conditions of Service as set forth in rate schedules SC, SC-F, MC, MC-F, LC, LC-F, LCP, IPS, IPS-I-2, IPS-I-3, or IPT that qualifies the consumer for the renewable energy program shall apply to service provided under this Rider.
